### Other Privacy Statement

### Mobile Privacy Disclosure

**FACTS:** WHAT DOES LIBERTY BANK DO WITH YOUR PERSONAL INFORMATION FROM THE MOBILE APPLICATION?

**Why?** The mobile application requests access to information stored on your device such as location, camera, contacts, images, or other features you are enrolled in to enrich and simplify your own user experience and improve our services, as well as provide additional security to protect your account.

It is important for you to understand that:

- Before granting access to this information, you will be prompted to give the application that permission.
- If you do not wish to grant that permission, you may decline.
- If you later change your mind, those permissions can be updated in your device's settings.

**What?** Some examples of information you app will request access to are:

- Location: Your location is used to prevent fraudulent activity and to display locations near you.
- Contacts/Contact List: Allowing access lets you add contacts to use with features that allow you to send money via you mobile app. We will only add the contacts you choose, and that information will not be shared.
- Camera/Images: This app uses your camera to capture check images, take pictures of receipts, scan ID, scan authorized QR codes and to conduct video chat.

**How?** To protect you personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

The application information is retained in accordance with state and federal record retention laws. Please contact us to determine specific timeframes for your personal stored information and if that information may be deleted.

**Questions?** Please contact Liberty Bank at 360-779-4567 regarding questions about the information included in this Mobile Privacy Disclosure or questions about this application.
